Dear Rohan

It is a great pleasure to welcome Café Scientifique Dubai to the Café Scientifique family.

As you know, every café is run autonomously, by volunteers, although I am happy to offer what support I can. You are therefore free to organise and run Café Scientifique Dubai as best suits your circumstances, including registering Café Scientifique Dubai in accordance with local regulations.

Yours sincerely

Ann Grand.

Ann Grand

Director, Café Scientifique Ltd.

Volunteer website host and organiser, cafescientifique.org
